OLYMPIC BALLROOM

The Olympic Ballroom is our largest event facility. The floor-to-ceiling window wall provides an unobstructed panoramic vista of Elliott Bay, the Olympic Mountains and the islands of Puget Sound. The spaciousness of this room allows for a wide variety of configurations. Fir beams join at the center of the ballroom's 16 foot ceiling creating a dramatic space for a couple's first dance.

TERRACE

Dramatic eight-foot French doors that open onto our outdoor terrace accent the Terrace Room. The deck allows guests sweeping views of the Seattle skyline. Three large mirrors, a stone fireplace and two Lorraine Versailles crystal chandeliers make the versatile Terrace Room an elegant space in which to relax over cocktails or host a comfortable dinner. The Terrace Room is often used in conjunction with the Olympic Ballroom to provide access to the great outdoors; it is also the perfect setting for smaller events. Several different seating arrangements can accommodate up to 55 guests.

ALKI ROOM

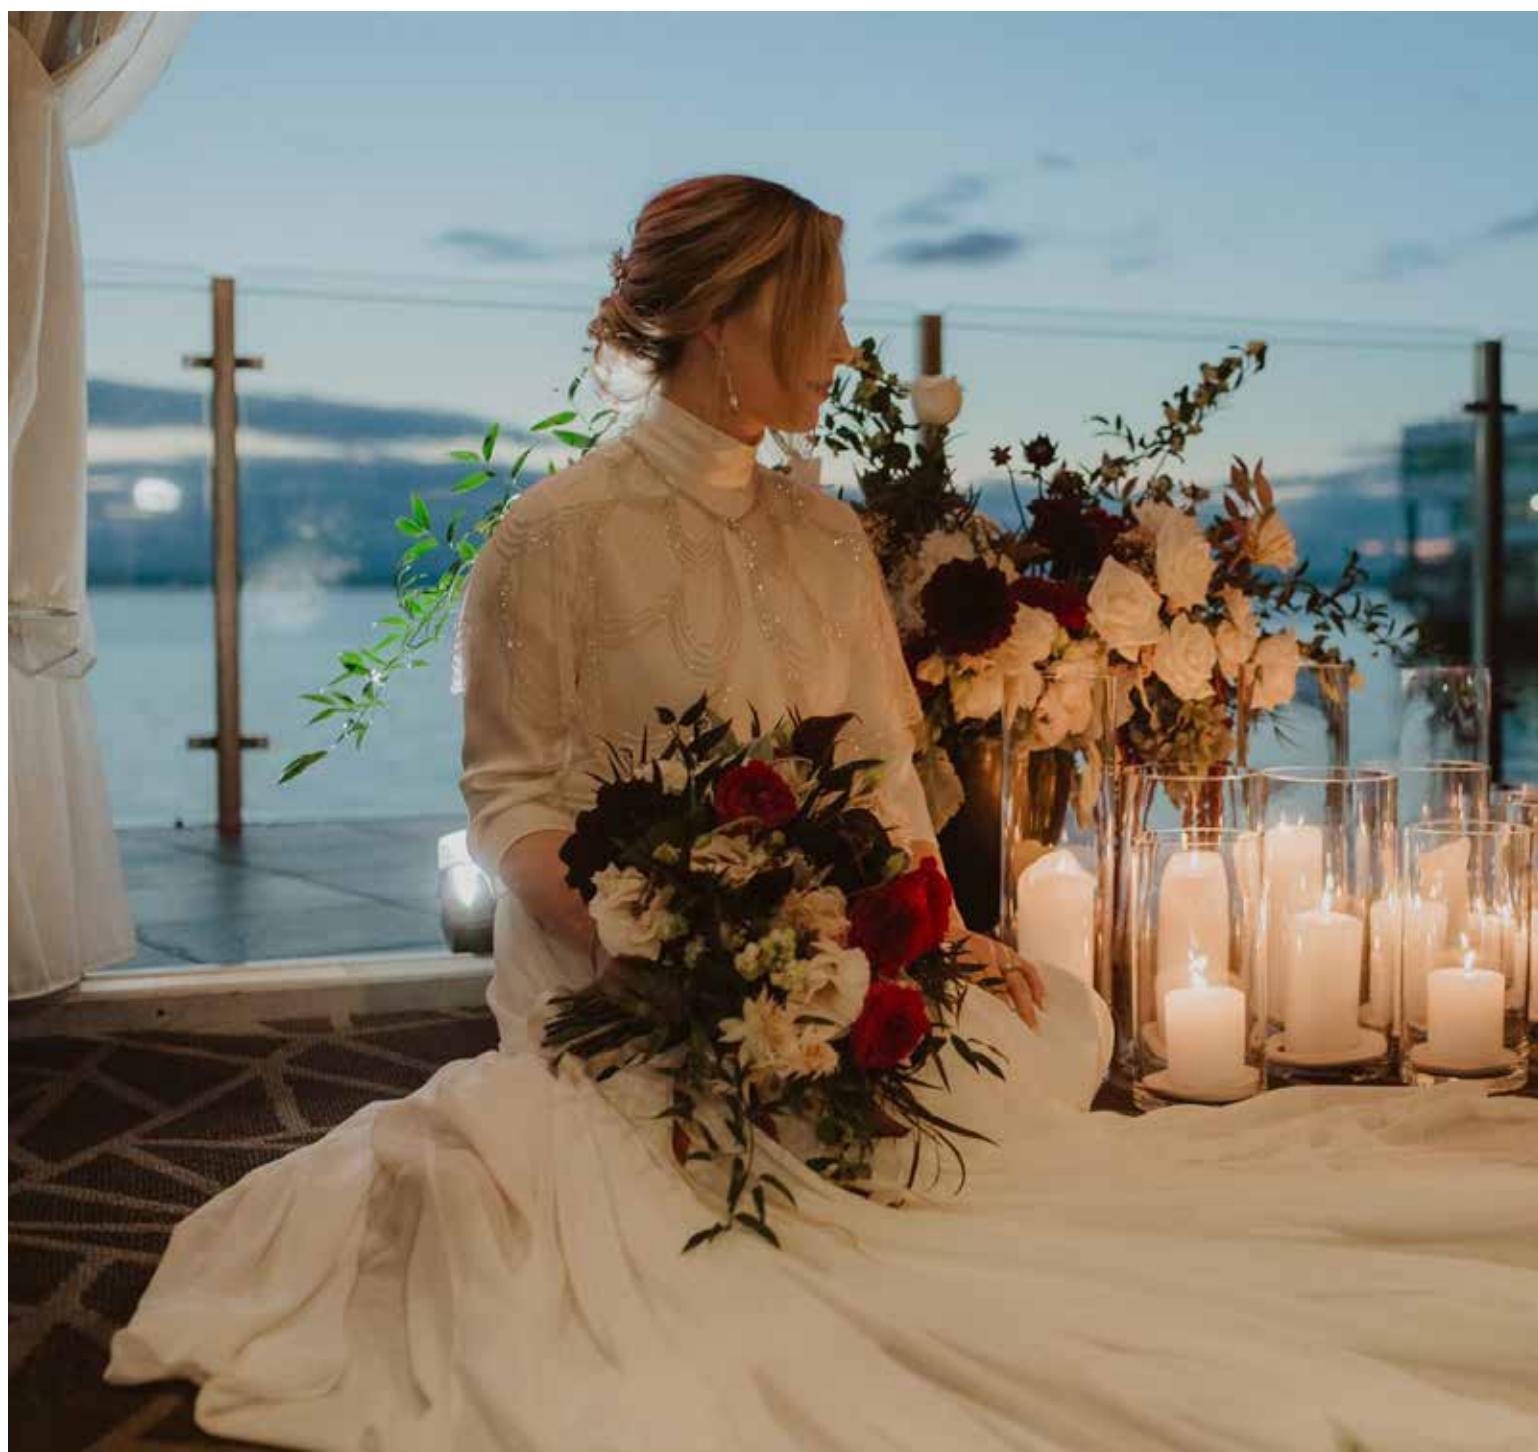

The Alki Room boasts four bay windows, a built-in slate-topped buffet, and can host up to 60 guests with small dance floor. This room is perfect for mid-size events, dinners, or cocktail parties. A connecting door to the Winslow Room offers additional space for buffet dining.

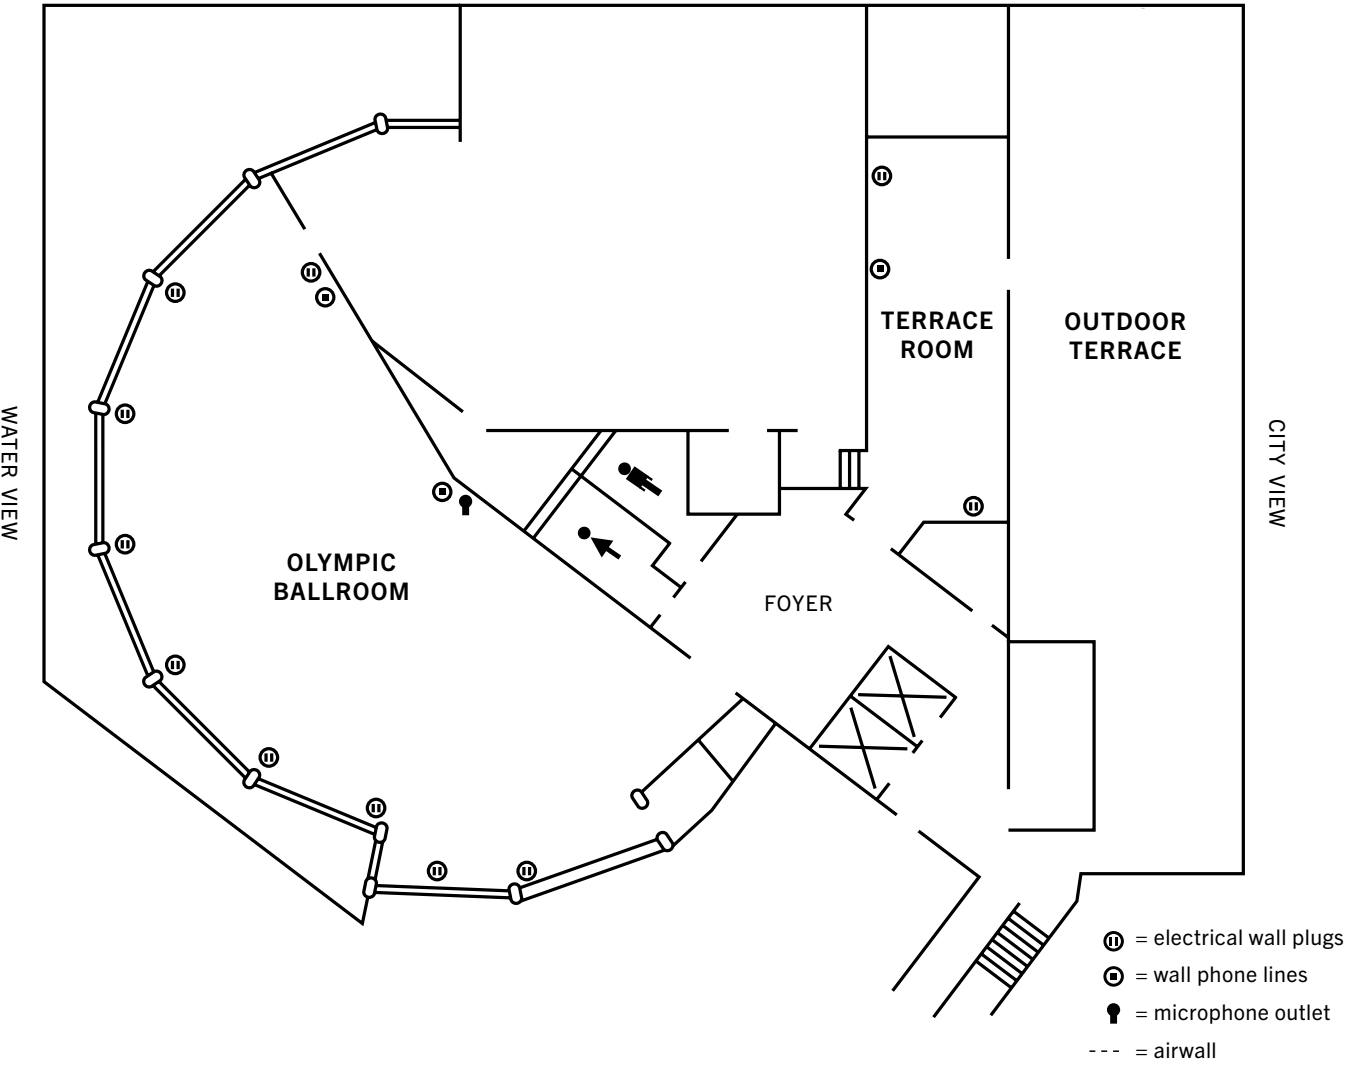

TERRACE

FOREST

If you're searching for an elegant restaurant atmosphere with the privacy of your own room, this private dining room can accommodate up to 30 people for dinner or 40 guests for a cocktail party. Sliding glass doors open onto an outside deck over Elliott Bay. A gas fireplace and northwest décor perfectly complement this intimate event space.
