

These are top travel contests you can enter in April

Traveling can get expensive especially when you go to far-off places. But there's one way you can get travel discounts or even a free trip: by entering a contest. Many hotels, cruises, airlines, tourism bureaus, travel agencies, and other online travel companies offer various giveaways and contests. Here are a few notable ones:

The **Greater Fort Lauderdale Convention and Visitors Bureau** is offering a free winter escape. One winner will receive two roundtrip tickets on JetBlue Airways, a three-night stay at the Pelican Grand Beach Resort, dinner for two at Ocean2000, and two Greater Fort Lauderdale VIP cards, good for complimentary admission to more than 30 attractions. Travelers are required to complete a registration form by April 15
