THE EDGEWATER

A NOBLE HOUSE HOTEL

A black and white photograph of a person playing a guitar on a stage. The person is silhouetted against bright stage lights, creating a dramatic, high-contrast scene. The background shows various stage equipment, including microphones and lights. The text "RENT AN *Orangewood* GUITAR" is overlaid on the image in a white, serif font.

RENT AN *Orangewood* GUITAR

True to our rock and roll roots, your epic Seattle stay now includes a complimentary two-hour guitar rental, complete with sheet music, instructional videos and more. The Edgewater is thrilled to partner with Orangewood, a new generation of guitar brand designed for true music enthusiasts. We're one of the only destinations where the guitars can be demoed, so be among the first to stay, play and strum the day away on the water's edge. Below is a list of the guitars available to rent at The Edgewater.

OUR SELECTION

OLIVER MAHOGANY

The super comfortable Oliver features a grand concert body with a mahogany top, back, and sides, making for a winning combination that delivers a beautifully balanced tone. This is an all-around versatile guitar that's a great fit for new and experienced players alike.

OLIVER JR. MAHOGANY

Oliver Jr. is a scaled-down version of Orangewood's fan-favorite Oliver guitar. But don't let the smaller body fool you. Featuring a solid top, Oliver Jr. delivers a bright tone, making it so easy to love. This mini guitar is a great fit for young players or adults with small hands.

Orangewood

OLIVER SPRUCE

The super comfortable Oliver is also available in a spruce top for a versatile playing experience in a classic grand concert body. This is an all-around enjoyable guitar that's a great fit for new and experienced players alike.

FLORENCE

A vintage-inspired Parlor guitar, Florence sings an intimate, bright tone to make all your nostalgia dreams come true. Florence features a solid spruce top, a 3-tone sunburst finish, and a classic lightweight body made to play anywhere inspiration strikes. This is a comfortable guitar with a smaller-sized body that's especially great for fingerstyle players.
