

SAN DIEGO  
**MISSION BAY**  
RESORT

# Mission Bay Unleashed

At San Diego Mission Bay Resort, we are proud to curate entertainment for all of our guests - including the four-legged ones. Below is our dog-friendly guide to San Diego, ensuring that you and your furry friend make the most of your Southern California experience.

## Parks

### FIESTA ISLAND

Located on the eastern side of Mission Bay Park, Fiesta Island is lined with beautiful beaches, coves and long stretches of sand. Let your dog take a break from the leash and catch the sea breeze. This park is open daily from 4:00 pm to 10:00 pm.

### KATE SESSION PARK

Located in the nearby Pacific Beach neighborhood, Kate Session Park is dog-friendly and a fun place for everybody. The park features a large, grassy slope complete with picnic tables, barbecues, restrooms, drinking fountains, spectacular views and a paved walking path. Other areas in the park are the perfect place for a sunset hike.

### DOG BEACH

Just down the street in Ocean Beach, North Beach has been affectionately dubbed "Dog Beach." San Diego's only 24-hour beach for dogs offers a mile-long stretch of soft sand where people, pets and surfers alike can come to enjoy the California coast. No need to worry about sandy paws, the Ocean Beach Dog Wash is nearby and offers a self-service dog wash from 7:00 am to 9:00 pm.

## Dining

Whether it's a special menu just for Fido or a dog-friendly patio, these are some of the best restaurants in town for a dog's night out.
